Package Contents

1. Instant Internet TV/Radio USB Stick
2. User Guide
Installation

1. Connect the Instant Internet TV/Radio USB Stick to a USB port on your computer.
   **NOTE:** Avoid connecting via a USB hub or an extension cable.

2. The operating system will find and install the drivers automatically upon **FIRST USE**.

3. After the installation, the program will run automatically.

   ![Found New Hardware](image1)
   ![Found New Hardware](image2)

   If the program does not run automatically, please follow the steps below:

   i. Click on **Start** or **Windows Start Button**.

   ii. Click on **My Computer** or **Computer** on the toolbar.

   iii. Double click the disc drive named “**CD_ROM**”.
   **Note:** The disc drive letter may be different on your computer.

   iv. Double click “**X-PLAY.exe**” to execute the program.

4. Please trust and allow the program to run if authentication is required.
5. The program will open and then display the main interface.
